

## Changes in the Management Board

Hamburg, 19 September 2024 - Dr Andreas von der Heydt, Member of the Management Board of Tchibo GmbH responsible for Online and International, will be leaving the company at his own request at the end of the year.

“We regret his departure and would like to thank him for his successful work, including the transformation of our International and Online businesses” says Michael Herz, Chairman of the supervisory board.

Information on the succession will be provided shortly.

**About Tchibo:**

Tchibo stands for a unique business model. In eight countries, Tchibo operates about 900 Tchibo shops, approx. 24,200 Depots at third-party retail outlets, and national online shops. The company uses this multi-channel distribution system to offer coffee and the Cafissimo and Qbo single-serve system, along with weekly changing non food ranges.

Founded in Hamburg in 1949, the family-owned company generated sales of 3.2 billion euros in 2023 with 10,708 employees worldwide. Tchibo is the roasted coffee market leader in Austria, the Czech Republic, Germany and Hungary and one of the leading e-commerce companies in Europe. Its sustainable business policies have earned Tchibo multiple awards.
